The Philosophy

The Adventurer program is designed to be a family-oriented program and was created to assist parents in their important responsibilities as a child's primary teachers and evangelizers. All Adventurer leaders are Christians, working hand-in-hand with parents, providing optimum opportunities for Christian development. The program aims to strengthen the parent/child relationship and further the child's development in spiritual, physical, mental and social areas. In this way the church, home and school can work together with the parent to develop a mature, happy child. The Adventurer membership involves parents and youth in grades Pre-K through 4 who participate in group activities, AY/Adventurer class curriculum and AY Awards. Above all, Adventurers give children and their parents an environment in which to actively expand their personal experience with Christ.

Your Commitment

We, the undersigned, have read, understand, and are in full agreement with the above Philosophy. We agree to support our club through those means with which the Lord has blessed this church, including finances, staff, volunteers, securing a place to meet, transportation on outings, and other such needs as may arise in the fulfillment of this ministry, and to assist and support the work of the Adventurer ministry in this conference and around the world. We agree to make every effort to participate in Conference Adventurer events and will send as many of our club leaders as possible to the Annual Leadership Convention, understanding our director is required to attend.
