The Philosophy & Objectives

The Pathfinder ministry is designed to be a church-centered recreational-spiritual program for both boys and girls, grades 5 to 12. The program offers action, adventure, challenge and group activities that produce team spirit and loyalty to the church. One of the Pathfinder ministry's basic purposes is to fulfill the Elijah message of Malachi in which the "hearts of the parents are turned toward their children and the hearts of the children are turned to their parents." As parents and church members work, worship and play together with the Pathfinders, the so-called generation gap disappears in a bond of common experience. Pathfinder ministry will help Pathfinders understand their church loves and appreciates them, show them what God has planned for their life, train them for missionary service, work for the salvation of each Pathfinder, develop an appreciation for nature and a concern for the environment, teach useful skills and hobbies, promote physical fitness, develop leadership abilities, and encourage a balanced life.

Your Commitment

We, the undersigned, have read, understand, and are in full agreement with the above stated Philosophy and Objectives. We agree to support our club through those means with which the Lord has blessed this church, including finances, staff, volunteers, securing a place to meet, transportation on outings, and other such needs as may arise in the fulfillment of this ministry, and to assist and support the work of the Pathfinder ministry in this conference and around the world. We agree to make every effort to participate in Conference Pathfinder events and will send as many of our club leaders as possible to the Annual Leadership Convention, understanding our director is required to attend.
