Ideas for Adventurers and Pathfinders during Covid 19

- Pathfinders

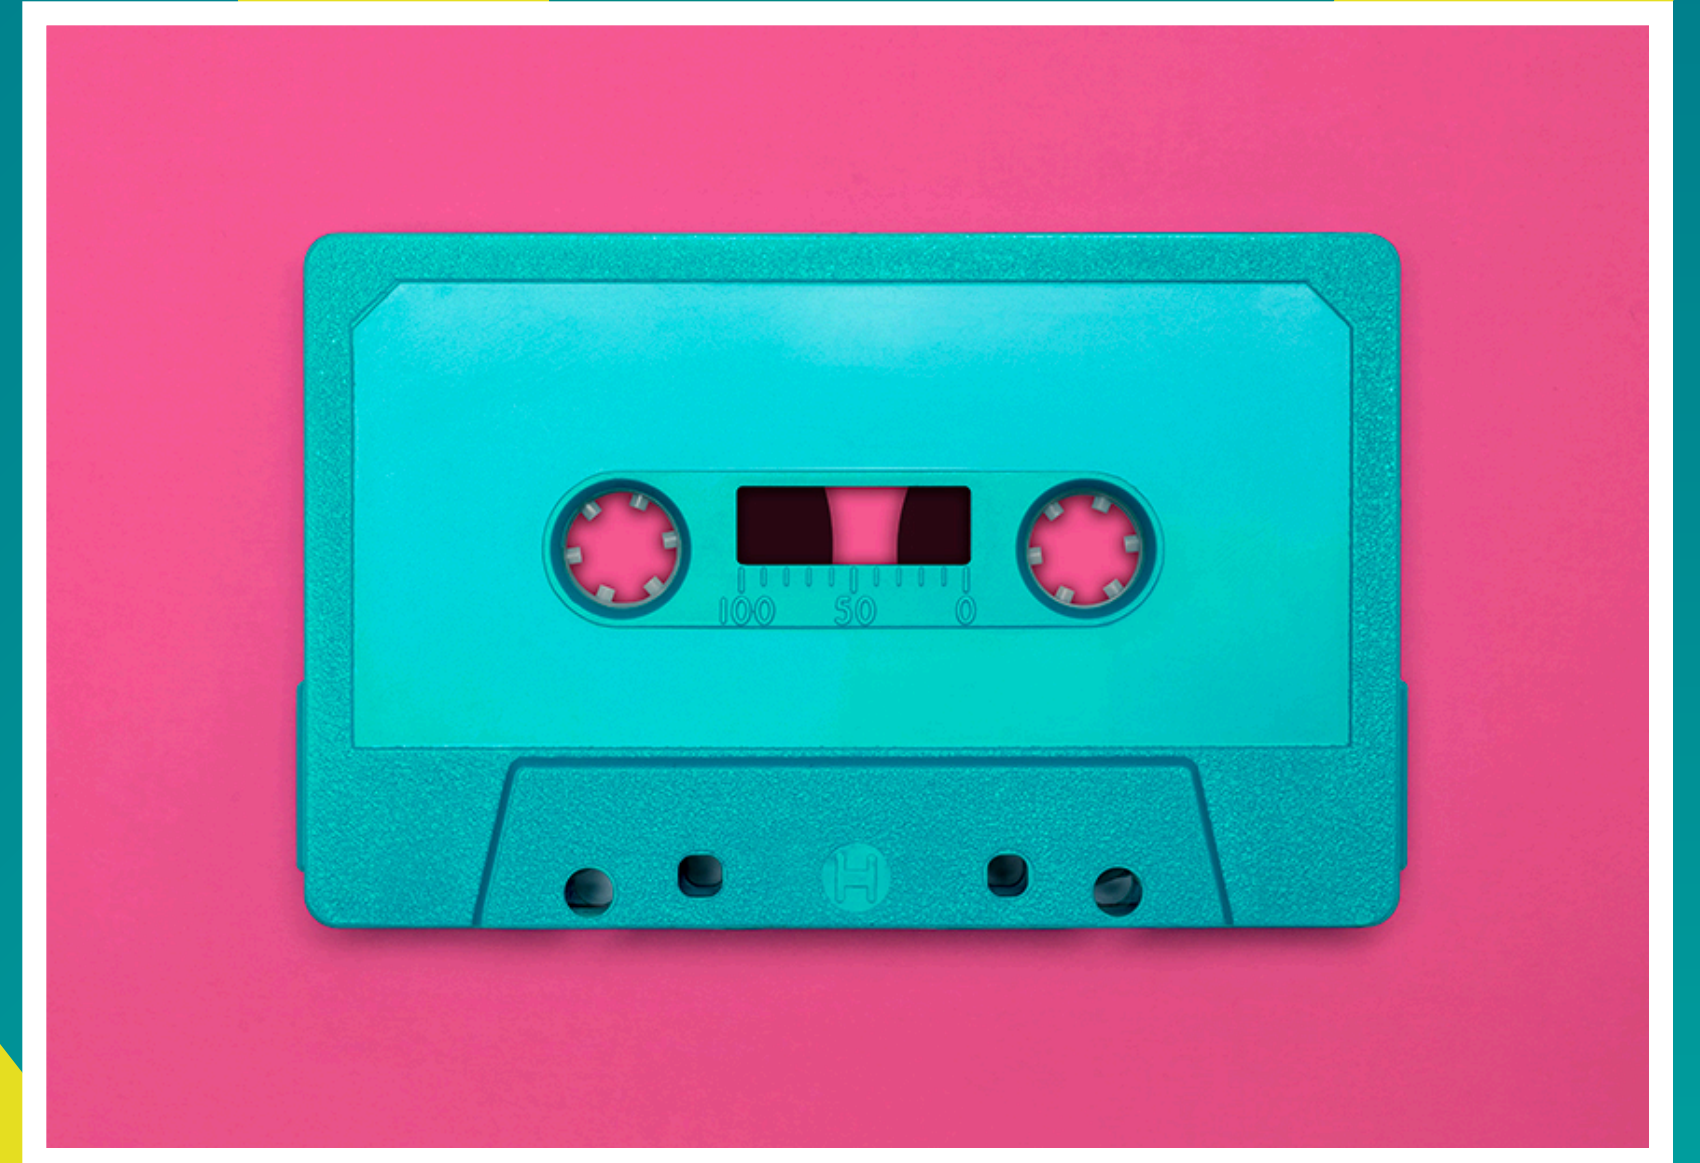

- Create a Google Classroom by clubs: each classroom can hold a different level
- Teach requirements/awards through Google Meets/zoom/skype
- Optional: If allowed by government, meet outdoors. Meet in smaller groups. Meet with your class, social distancing and having protective equipment. Allow the class teacher/counselor to be the leader of that small group fully. If your club is small already, you may be able to meet outdoors if possible.
- Record a video and share it with parents through YouTube or Facebook.
