Highland Warriors Campout

On September 25-27, Highland braved their first Pathfinder campout. COVID changed a few things, but they were still able to come together and have fun while enjoying the outdoors! Parents signed waivers allowing them to share tents. Extra caution was used especially when cooking and serving food. Hand sanitizer was readily available. Mess kits were utilized and kids were not allowed to help in the kitchen, lucky Pathfinders! Weather was amazing and it was a great weekend earning honors and learning about God's love.

PBE

AREA - JAN 23

CONF - FEB 13

Still waiting on confirmation from Union & NAD

7UP

FEB 19-21

This is the date if we can get together by then, watch for updates

FAIR

MAY 30

Again, this is all based on if we are able to gather by then, praying that we will

Manchester Mustangs Feed the Hungry & Have Family Campout

Manchester Mustangs meet every Tuesday to pack food into boxes for the hungry. The London, KY food bank provides the food. They serve 250-275 each week a total of about 7000 lbs of food. Such a great way to meet the needs of their community on a weekly basis.

The Mustangs also had their first campout Sept 18-20. They did their induction outside as the Friday night program. Families were invited to participate in this campout and families stayed in tents together instead of pathfinders sharing tents. Extra precautions were taken such as temperature taking, mask-wearing (when necessary) and careful, gloved preparing and serving of food.

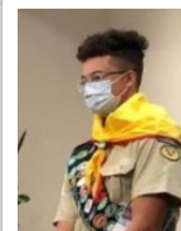

Louisville Cherokees Begin Meeting Virtually

The Cherokees have begun their year virtually because of the restrictions still in Louisville. They taught the tree honor this month and Pathfinders collected & brought leaves to the meetings to identify. They watched videos about different aspects of trees and played a jeopardy-like game to test their new knowledge about trees.

Jason Garcia invested as a Master Guide

We are proud to announce that one of our Lexington Thoroughbreds, Jason Garcia, turned the COVID virus into something good. He has been working on his Master Guide and was able to complete his goal during this time. He was formally invested in front of his Lexington SDA Church family on Sept. 19, 2020. We are very happy Jason has accomplished this level of achievement.

-Darlene Hickman
Area Coordinator for Eastern KY

NOTE FROM DR. NELSON SILVA

Hi Friends!

What an honor it is to further partner with Elder Greg Taylor in the Youth Department by leading the Pathfinder Clubs for the KY-TN Conference. It is also a great joy to have Mrs. Kim Taylor join us as the new Administrative Assistant for the department. I look forward to working with the great team of volunteers in our territory. Let's press on together toward the ultimate goal: Taking the Advent message to all the world in this generation!

Backpacking Trip

David Garner is arranging for a great weekend of beginning backpacking in the hills around Indian Creek Camp. As of now, the trip is full, but your Pathfinder could get on the waiting list. The cost is \$20. Pathfinders do not need to come with a sponsor, there will be several conference-approved adults attending. Sign up here: <https://forms.gle/doLvzti8xXCZcKNSA>

TLT Registration & Renewal

We have uploaded a new renewal form to be completed online for TLTs that have already registered with the conference. It will make it easier for us to keep track of our TLTs. They can fill it out themselves at this link: <https://forms.gle/h6dpJueFW6LdRgiF6>

Club Status By District:

Orionoid Meteor Shower & Blue Moon

It is a great time of year to see meteors. Encourage your pathfinders to keep their eyes out. Oct 21 is said to be the best day to check it out right before dawn. They will be coming from the direction of Orion's club. This year October is special because we get to see two full moons. That doesn't happen often, so we call it a blue moon. The blue moon appears on Oct. 31 this year.

Purposity App

I emailed the directors information on this new app updated and endorsed by the TN Governor (and his wife). It has a list of needs in the community that you (or your club) might be able to help with. Take a look at it and see if there are people in your immediate community that you can assist. <https://www.youtube.com/watch?v=pGT0PueDul8&feature=youtu.be>
